DETAILED ACTION

Allowable Subject Matter

Claims 1, 5-16, 18, 19, 21, 25-33, 41-85 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding Claim 1, the primary reason for allowance is the inclusion of the limitation wherein deriving a value from m of the n samples, wherein the m samples are significant samples that each have an amplitude greater than 50% of an amplitude of an isolated pulse in the read signal and greater than an amplitude of the other samples of the n samples.

Regarding Claims 21, 66 and 76, the primary reason for allowance is the inclusion of the limitation wherein selecting m of the n samples, wherein the m samples are significant samples that are taken at times corresponding to expected peak and near peak values in the read signal and that each have an amplitude greater than 50% of an amplitude of an isolated pulse in the read signal and the other samples of the n samples are not taken at times corresponding to expected peak and near peak values in the read signals.

Regarding Claim 46, the primary reason for allowance is the inclusion of the limitations of the method claim wherein comprising the steps of: filtering the samples to obtain significant samples that each have sufficient amplitude and discard other samples that each have insufficient amplitude; deriving a value from the significant samples and from no other samples in the read signal;
